Thursday from a weather standpoint was not very propitious for the Illinois college campaign but the figures that went on the blackboard at the luncheon hour were very encouraging. The total for the day was \$6,464. This added to the subscriptions of \$29,518.50 previously announced, makes the total to noon Thursday \$35,982.50. For four days' work this is an excellent showing and Dr. Rammelkamp and his co-workers are fully convinced that by Saturday night the friends of the college will be able to celebrate a victorious week with a subscription total well along toward the \$100,000 goal.

A Pioneer Minister.

The largest of the day was that of \$2,000 by Mrs. Sarah Gallagher Riddle. Of this sum, \$1,000 is to establish the William Green Gallagher memorial scholarship fund in honor of Mrs. Riddle's father. The second \$1,000 will establish the Francis Asbury Riddle memorial library fund in honor of her husband. The Gallagher name is closely identified with the early days of Illinois. William G. Gallagher came to this state with his parents from Cincinnati in the early 30s, the family driving overland.

After he had grown to young manhood Rev. Mr. Gallagher served for a time as teacher and afterward entered the ministry. For more than a quarter of a century he was the pastor of Pisgah Presbyterian church. During that time he was trustee of Jacksonville Female academy and of Blackburn college. He is an unfailing friend of Illinois college and the records show that during the period of his pastorate at Pisgah he devoted all of his salary to church charities. The living for his family came from his farming operations or other sources. The income of his memorial fund established by Mrs. Riddle will be used for the aid of students who are without means.

Col. Riddle Prominent in State. Francis Asbury Riddle had a notable career in the war of the Rebellion. He first served as private in the 130th Illinois regiment and afterward was promoted to the rank of first lieutenant. Col. Riddle who was later a successful Chicago lawyer, was also prominent in political affairs. He was a member of the state senate and served as chairman of the Illinois Vicksburg memorial park commission. It was after the close of the war that Col. Riddle became a student of Illinois College. That is why he was a member of Phi Alpha society and actively interested in all college affairs. Many volumes of Col. Riddle's valuable library have previously been donated to the college.

Another large subscription of the day was \$1,000 from a Jacksonville physician who is a graduate of the college. One team captain announced a subscription of \$600 toward the fund, which the graduates of the Athenaeum are establishing and announcement was also made of a gift of \$50 in memory of Percy Grierson Capps, a deceased member of the class of 1899.

Additional Subscriptions. The following additional subscriptions were reported in the Illinois College campaign for Thursday:

Benj. C. Andrews, Miss Edith Askey, Baha Bros., Miss Ruth Askey, Miss Rose Bellanti, Bergschneider & Kume, Miss Dorothy Black, Fletcher Blackburn, Peter Bonansinga, Dr. and Mrs. Edw. Bowe, Fred W. Brookhouse, W. T. Brown Plano Co., O. F. Buft, C. C. Capps, Miss Leah Cassell, R. E. Cassell and wife, Mrs. Sarah C. C. C. Depe, Dr. A. H. Dolan, Miss Grace Dummer, Miss Mary Dummer, R. M. Ferris, J. SONORA FORCES HAVE TAKEN THE AGGRESSIVE AGAINST CARRANZA

Cross State Line of Sinaloa, Capturing Two Towns—Other States May Join

AGUA PRIETA Sonora, April 15.—(By The Associated Press.)—Military forces of the new "Republic of Sonora" have crossed the state line of Sinaloa, captured two towns and are continuing towards Culiacan, capital of the neighboring state, thus taking the aggressive in the state's fight against the Carranza government of Mexico.

El Fuerte, one of the most important mining camps in Sinaloa, about fifteen miles from the Sinaloa-Sonora boundary and San Blas, a railroad junction point have fallen to the Sonora forces, according to official information received here. Reports that six other towns, Michoacan, Morelos, Tamaulipas, Tabasco, Campeche and Jalisco had joined forces with the Sonora movement against Carranza remained unconfirmed tonight.

Reports to military headquarters here contained the information that President Carranza plans to send thousands of troops against Sonora in an effort to put down the uprising. Leaders of the Sonora movement declared that by this plan a new revolution has been born. More than 3,000 troops already have entered Sinaloa, and among them is a large command of fully equipped Yaqui-Indians, who are conceded to be among the best soldiers in Mexico.

Four hundred troops were expected here tonight from Culiacan to undertake the defense of Agua Prieta and the district between here and Pulpista pass thru which it was reported, Carranza troops had sent an army into this district. There are more than 500 Sonora troops already stationed in the pass.

Sonora officials declared today that Carranza troops in Sinaloa in large numbers are joining the Sonora forces. It also was reported that the commanders and crews of two Mexican gunboats deserted to the Sonora government.

Military Headquarters at Hermosillo announced today that General Arnulfo Gomez, for several years in command of federal troops in the state of San Luis Potosi, had revolted with his entire army and declared himself against Carranza. Gomez is a citizen of Sonora and it was stated he had 2,500 soldiers under his command.

All of Sonora now is under military rule. All saloons have been closed by General Calles and the entire resources of the state are at first call of the army. The Southern Pacific de Mexico, an American owned railroad seized by the state department today to stop a strike on the railroad is being used chiefly for the military forces and trains no longer run on schedules.

Sonora officials at all border points announced today that passports issued by Carranza consuls in the United States for entry into Sonora will not be accepted by officials of the new republic. Instead they must be issued thru Sonora officials.

MEXICANS KIDNAP AMERICAN WOMAN

El Paso, Tex., April 15.—Mrs. L. R. Sanford, 25 years old, wife of a horse shoer of the Eighth Cavalry, S. A. F. Griffiths, was kidnapped by two Mexicans near an El Paso park entrance yesterday and taken to Juarez, where, according to her story, told in a nervous way today, she was mistreated by fifteen Mexicans.

Mrs. Sanford said she was abandoned in the street late at night, where, being discovered by police, she was seized and taken to jail. She was released today and crossed the Rio Grande and told her story, which is being investigated.

EIGHT SAILORS REPORTED DROWNED

WASHINGTON, April 15.—A dispatch to the navy department today from the Atlantic fleet said the eight sailors of the Destroyer Preble drowned in Manzanillo Bay, Cuba, April 11, after an accident to their launch, were: Fletchman, James H. Maloy, Fort Edward, New York, Lewis B. Wales, Munroe, La., John Ziemer, New York, Gonn, and Corcoran, Carmelo, Dicanyaio, Italy; Seamen Joseph Piron, Brooklyn, and John Aldredge, Evansville, Ind., Engineer Charles A. Klenk, Philadelphia and Mechanic Mite Araska P. Larison, Chadron, Nebraska.

CASE GOODS MFG. ASS'N. MEET AND ELECT OFFICERS

Chicago, April 15.—G. C. Whitworth of Grand Rapids, Mich., was elected president and W. A. Prolin, of Rockford, Ill., was chosen treasurer at a meeting today of the National Alliance of Case Goods Manufacturing Association. Other officers named for 1920 were: Vice President, C. H. Burt, Philadelphia and Secretary A. C. Brown, Grand Rapids.

CLASS FIGHT RESULTS IN FATALITY

Paris, Ill., April 15.—Lynman Yates, high school student, was seriously injured this morning when he was struck in the head by a brick during a battle between the senior and junior classes.

RAIL OFFICIALS GIVE STRIKERS FINAL CHANCE

Must Return to Work
By Saturday
Noon

LITTLE CHANGE IN SITUATION

Railroad officials have thrown down the gauntlet to their striking employees. Supported by the federal government's contention that the strike, which for the past week has partly demoralized the freight and passenger service of the country was planned by railroad agitators with ulterior motives, six railroads in Columbus have refused outright to deal with the yardmen's association which is conducting the strike in that territory.

In New York railroad executives warned the representatives of the railway brotherhoods that they would be given until noon Saturday to get their men back to work.

Drastic action also has been taken by governmental agencies. In Chicago 24 leaders of the insurgent switchmen, including John Grunau, whose dismissal started the railroad men's walkouts, were under arrest last night on charges of having violated the Lever food act. Federal prosecutors in other sections continued to accumulate evidence against strike leaders and more arrests are expected within the next twenty four hours.

Meanwhile, members of the new labor board whose nominations were confirmed yesterday in the senate have been summoned by President Wilson to meet in Washington today and organize. Administration officials feel the board will prove an effective agency toward ending the "outlaw" strike.

Small defections in the strikers' ranks continued yesterday with the main body of strikers in territory east of Chicago and north of Pittsburgh holding firm.

Freight embargoes are beginning to have a serious effect upon industry, especially in the east where shortage of coal and raw material has resulted in the shut down of several factories and mills, throwing thousands out of work. The food situation continues serious but nowhere are there reports of famine conditions.

NEW YORK, April 15.—The Railroad General Managers' Association of New York tonight delivered an ultimatum to the "Big Four" railroad brotherhoods, giving them until Saturday noon "to have their men report for work."

After that time it is stated the railroads will themselves open their books for a period of 24 hours ending at noon, Sunday, for such men as register during that period. Brotherhood leaders who will be taken back into the service, retaining their roster rights.

"In any event," the ultimatum added "the railroads retain the right to refuse to reinstatement or re-employ certain employees who have shown for further rail work." The ultimatum was addressed to the following representatives of the "Big Four": G. Griffiths, Brotherhood of Locomotive Engineers; Timothy Shea, Brotherhood of Locomotive Firemen, and Engineer, and L. S. Cowan, Order of Railroad Conductors.

Marked improvement was reported today on traffic arteries into New York, while in Jersey City and Hoboken striking railroad men debated the question of returning to their posts and voted not to form a new organization but to "stick to the Brotherhoods."

Condensed Telegraphic News

(By The Associated Press)

NEW YORK, April 15.—Legislation for a national forest policy to promote reforestation regarding as essential for the paper industry, was recommended today to annual convention of the American Paper & Pulp Association by its committee on forest conservation.

ST. LOUIS, April 15.—Discovery of a new fuel fluid, greater in heat value than either coal or present fuel oils was related here today at the closing session of the convention of the American Chemical society.

CEDAR RAPIDS, Iowa, April 15.—Fire which broke out in the basement of the O'Brien building in the principal business block of Cedar Rapids, at 6 p. m., tonight, has completely gutted the structure and at 11 p. m. it was doubtful whether the city fire fighting force could prevent the flames from spreading to adjoining buildings.

WASHINGTON, April 15.—The railroad labor board was confirmed today by the senate. The vote on the nomination came after four hours of O'Brien building.

NEW YORK, April 15.—Coastwise longshoremen who have been on strike at this port for five weeks in conjunction with a general strike from Boston to Galveston voted at a mass meeting here tonight "not" to return to work until they are granted the wages of deep sea longshoremen. They have demanded an increase from 65c to 80c an hour and from \$1 to \$1.20 an hour for overtime and Sundays and holidays.

PARIS, April 15.—(Havas)—The German government has decided to place guards around the government and other public buildings and has sent for 15 large tanks and 20 armored cars, because of rumors of a new attempt to overthrow the government, for the purpose of forcing an alliance with soviet Russia to declare war on France, according to the official press.

CON CON DELEGATES TAKE UP COMPULSORY VOTING

SPRINGFIELD, Ill., April 15.—Some means should be devised to compel all citizens to exercise their rights of suffrage many delegates declared today in the Illinois constitutional convention when the suffrage committee's report was brought up for consideration.

Compulsory voting propositions were suggested by several speakers. The convention, after a long debate, took no final action but will resume discussion of the question probably next Tuesday.

The suffrage proposition reported by the committee provides equal suffrage for women. There was some debate on the phraseology of the equal suffrage section but no sentiment was expressed against allowing women to vote. Many women, including Mrs. Grace Wilbur Trout, president of the Illinois Equal Suffrage Association were in the convention hall to hear the suffrage proposal discussed.

Among the plans submitted for compelling voters to go to the polls was that offered by Delegate Frank R. Dove of Shelbyville, which would instruct the legislature to pass laws punishing "wilful and deliberate failure to vote at every election."

Delegate William Sneed of Herrin would insert in the constitution a provision that any person not voting at every election would be fined.

SENATE CONFIRMS NEW R. R. LABOR BOARD

WASHINGTON, April 15.—Members of the railway labor board confirmed today by the senate, were called tonight by President Wilson to meet tomorrow and organize. Some of them are already in the city and provision has been made for their assembly at the headquarters of the railway administration.

The president's call was issued as soon as word of the senate's action reached him. Administration officials have felt that the board would prove an effective agency toward ending the outlaw strike of railway men.

The senate apparently shared this view. While sharp criticism of some of the nominations is known to have been expressed, final action was taken in unusually brief time, considering the importance of the new government agency and of the immediate task that faces it.

CHESSE PLAYED BY WIRELESS

CHICAGO, April 15.—A game of chess played by wireless, believed to be the first on record between Edward Lasker of Chicago and A. P. Whitaker of Washington tonight awaited decision by J. R. Capablanca, Pan-American chess champion for a decision as to the victor. The game was started at 8 o'clock last night and ended at 1:25 o'clock this morning.

The moves made by the Washington man were telephoned from the Capital City Chess club to the Arlington wireless station. Messages were received at an amateur's station in Evanston and relayed to the Illinois Athletic club.

It was declared the game proved to be much faster than those played by telegraph.

NEW YORK ELEVATORS EMPLOYEES STRIKE

NEW YORK, April 15.—Seventeen thousand elevator employees, operating in nearly all of the city's largest skyscrapers, stores and business structures, tonight were ordered to go out on strike at 9 o'clock tomorrow morning.

This action was taken at a mass meeting of 6,000 union operators and strikers tonight, following the refusal of store and building owners to grant their demands for wage increases of \$5 to \$10 a week and an eight-hour day and time and one-half for overtime.

WOMEN WANT TO WEAR OVERALLS

Dallas, Tex., April 15.—Women working in the offices of the Texas and Pacific Railroad here today asked the district attorney for permission to don overalls along with men in the office who have formed an overall club. This office force approximates 800 persons.

City employees, numbering 800 have petitioned the city commission to declare overalls the official city employee's uniform.

EXECUTIONS REPORT FALSE

Washington, April 15.—John Reed, an American magazine writer reported recently to have been executed in Finland, is alive and well, according to an official report received at the state department today from the Finnish government. Reed is under arrest at Chicago, charged with conspiracy to advocate the overthrow of the government by force.

BLAME LABOR FOR UPHEAVAL

Topeka, Kas., April 15.—Responsibility for the present upheaval in labor conditions in the Kansas coal field was placed on the American Federation of Labor by Governor Henry J. Allen in an address today before the Kansas state bankers' association.

JOIN IN CAMPAIGN AGAINST SPEEDING

Chicago, April 15.—Eight thousand members of the Chicago Motor Safety League, empowered to make arrests, will join in a campaign against speeding and other automobile law violations, officials of the league announced today. The "special motor policemen" will begin work in two weeks, armed with badges of the league. It was said and when arrests are made the offender will be turned over to the city police.

RECEIVE STOCK FOR REPARATION

Paris, April 15.—Twelve hundred horses, 4,000 cattle, 10,000 sheep and 4,000 goats have been received by France from Germany in reparation for stock taken by Germans during their occupation of northern France.

OVERALL PAD SPREADING

Detroit, April 15.—Several thousand members of the Loyal Order of Moose donned overalls today, pursuant to a resolution adopted last night, calling upon members to wear rough ramment until prices of clothing decline. The resolution also endorsed a boycott on potatoes.

POST CENSURED FOR HIS ATTITUDE TOWARD RADICALS

Steps Taken in House
to Impeach Assistant
Secretary of Labor

CHARGES MADE BY JOHNSON

WASHINGTON, April 15.—A resolution looking to the impeachment of Assistant Secretary Post of the labor department for his attitude toward the deportation of radicals, was introduced today by Representative Hoch, Republican Kansas, after a conference with Republican leaders.

The resolution would direct the judiciary committee to investigate charges made against Post by Chairman Johnson, of the immigration committee and others and if the evidence warranted to report a resolution proposing impeachment.

The measure was referred to the house rules committee which will decide whether it should be made a special order of business before the house. There was no indication when the rules committee voted.

Post is condemned.

Mr. Hoch's resolution says: "Whereas, It has been charged on the floor of the house by the chairman of the committee on immigration and naturalization and by other members of the house that Louis F. Post, assistant secretary of labor has in the discharge of his official duties, and in the exercise of his authority actual or assumed, flagrantly abused his power in connection with the deportation of alien enemies of the country; that he has, in his official capacity, pursued toward those who would destroy by force and violence the government or its institutions a policy subversive of the welfare, the peace and the dignity of the United States that he has in an unwarranted manner submitted to the demands of those seeking to prevent the deportation of alien enemies; that by flagrant and unwarranted abuse of power he has hindered, delayed and prevented the deportation of alien enemies who by act and counsel would undermine and overthrow the government of the United States; and

ARE NUMEROUS SYMPATHY MESSAGES

Chicago, April 15.—Messages of sympathy from public officials and men prominent in public and political life throughout the country today poured into the home of Roger C. Sullivan, democratic leader, who died here yesterday of bronchial pneumonia.

Mr. Sullivan, who was 59 years old, was a prominent figure in national and state political circles for 30 years and a commanding figure in several democratic national conventions. It was Roger Sullivan who led the movement at the Baltimore convention in 1912 resulting in the nomination of Woodrow Wilson for the presidency.

Mr. Sullivan had been ill for several months and recently had returned to his home from Hot Springs, Ark.

Although Sullivan was "read out" of the democratic party several times by William J. Bryan and condemned by his political enemies at home as a "boss" he held the democratic leadership in Illinois for some years.

Funeral services will be held Saturday morning. Mr. Sullivan was survived by a widow and four children.

The city council was called in special session today to pass a resolution of condolence.

SOLLIER JUMPS FROM FAST MOVING TRAIN

Dixon, Ill., April 15.—Robert N. Tanner, first class private, medical corps, U. S. A., leaped from the vestibule of a swiftly moving Chicago and Northwestern passenger train at Union Grove, a small station west of Dixon, early this morning and received injuries from which he died a few hours later, without regaining consciousness. Tanner and a lieutenant are said to have been taking a sick soldier to his home in the east. Trainmen reported he had been sleeping, fully dressed, when he apparently jumped through the vestibule. Papers found in his clothing failed to disclose his home address.

POTASH PRODUCTION IN U. S. INCREASING

St. Louis, April 15.—America will soon be independent of foreign countries for iodine and bleaching carbon and in a great measure for potash, all of which are being produced from kelp, according to Dr. J. W. Tamm, director of the United States department of agriculture, who addressed the spring meeting of the American Chemical society, here today.

Iodine, bleaching carbon and potash are all being produced on a profitable basis, he declared, and the future of the industry is assured.

CHARGED WITH ILLICIT SELLING OF NARCOTICS

Davenport, Ia., April 15.—Dr. J. P. Lindsay and Dr. W. A. Benadom, Davenport physicians, are under arrest charged with the illicit selling of narcotics. Decoys were used by government officials to make purchases, after which their offices were raided and large quantities of morphine and other drugs confiscated.

PARDON PAPERS THIRTY MINUTES LATE

Marselles, April 14.—Louis Boulle, who in 1914 denounced to the Germans a French soldier, her neighbor, Michel Amedee, was condemned to death today by court martial.

Amedee was executed a half hour before an order for his pardon reached the German officer to whose charge he had been remanded.

STRIKES AND PAPER SHORTAGE MAY FORCE MAGAZINES TO QUIT

Publishers of Several Periodicals Plan to Combine Two Issues Into One

NEW YORK, April 15.—Publishers of several periodicals of national circulation have decided to combine two issues in one or to reduce the number of pages in each because of paper shortages due to the railroad strike it was announced tonight. Many of the leading magazines may have to suspend publication temporarily if conditions do not improve the situation every day.

The situation was discussed at a meeting here today of the periodical publishers' association. After adjournment, John Adams Thayer, executive secretary issued a statement:

"The strikes on the various transportation lines have seriously affected the periodical publishing industry. The supply of book paper has been stopped and the situation is becoming more serious every day.

"Few publishers have large quantities of paper on hand and the present supply is inadequate to fill present needs, in fact some of the publications have no paper whatever. Accordingly this condition has resulted in some cases of practically stopping the printing presses in a number of publication houses.

"To conserve paper and continue issuing their magazines some publishers have decided to combine two issues in one, others propose to cut down the number of pages in their issues. By reducing their issues they will be forced to leave out much of the advertising which they ordinarily print. If conditions do not improve many of the leading magazines would be forced to cease publication temporarily."

INSURGENT STRIKE LEADERS PLACED UNDER ARREST

24 Charged With Violation of Lever Food Act

ALL MEN FURNISH BOND

CHICAGO, April 15.—Charged with violating the Lever food act, 24 leaders in the insurgent strike of railroad switchmen were under arrest in Chicago tonight. In all 30 warrants were issued and railroad and brotherhood officials declared the last bulwark of the local strike had been broken. Government agents said 200 citizens warrants would be issued tonight.

Included in the number arrested was John Grunau, president of the Chicago Yardmen's association, the present outlaw union. The men were arrested by federal agents at meetings of strikers, and the action was unexpected by the men. The strikers, who also included H. R. Rising, chairman of the United Engineers' association, were released for a hearing April 24, on \$10,000 bond each.

The raid had been under preparation for a week, District Attorney Charles F. Cline said. The arrests followed telephonic communication with Attorney General Palmer at Washington. The section in the Lever act under which today's action was taken provides a penalty of not more than \$5,000 fine or imprisonment for not more than two years, or both. It is charged that the men conspired to interfere with shipments of food and other necessities.

The men, it was declared, generally showed resentment against the government action and declared they would continue the strike. After the arrests 300 switchmen voted to stay out. Reports from other western strike centers showed continued movement in the situation, with more men going back to work. Leaders declared almost normal conditions had been brought about. In Chicago a statement issued by the railroads declared that the continual return of men in the Chicago area had resulted in an additional improvement in freight traffic.

"There were 443 switch engine men working today, as compared with 408 yesterday," the statement continued. "The normal number is 765. The movement of about 400 continues to improve."

Those arrested in today's raids included R. S. Murphy, publicity representative of the yardmen's union, who was charged with having been a part of the federal officials' raid, and Elmer B. Bidwell, who was named yesterday by Attorney General Palmer as Grunau's successor.

Palmer Investigating

Washington, April 15.—Attorney General Palmer today he believed that the chaotic condition created by the walkout was improving, but declared the department of justice was not relaxing its efforts in any direction. United States district attorneys in every strike area have made local arrests of agitators and strikers, but these, it was said, were cases where specific law violations have occurred.

Department officials have practically decided to canvass the lists of all strikers and was expected to ask officials of all railroad lines affected by the strike to furnish the same information. A request of the Pennsylvania and New York Central lines Attorney General Garvin said he expected these lists of names to divulge the identity of the "horers from within" in the recognized labor organizations.

"The department has card indexed records of more than 60,000 radicals and the names of strike leaders and agitators will be traced thru these records in an effort to establish connection with previous activities."

WOOD REMAINS ON LEAVE

Chicago, April 15.—General Leonard Wood, commander of the central department who arrived here today from the East announced that he would remain on leave for the present.

NOT A WALKAWAY

The vote for Gov. Lowden in Tuesday's election insures him the support of the Illinois delegation in the national convention. The total vote was of such proportion that the country is left in no doubt as to the estimate Illinois places upon the governor.

Meanwhile, friends of Senator Johnson are declaring that the vote for him in the Illinois primary was really the most spectacular feature, since his name had to be written on the ballot. There is no denying that the California senator has friends in this state, and passing events continue to

give proof that the convention in Chicago next June is not going to be a walkaway for any candidate.

Assistant Secretary Post, of the department of labor, is under fire at the national capital. There have been frequent rumors in past months that this official has been too lenient in his attitude toward the alien enemies of the United States. In fact, some Republican senators have declared that several of the departments at Washington are honeycombed with disloyalty. The charges are so serious that certainly the investigation started should be thorough, rapid and sincere.

THE UNEXPLAINED SITUATION

With the wholesale price of sugar at 30 cents a pound, and potatoes selling around \$5 a bushel, it is not surprising that there is no lessening of the talk about rising costs. But along with these complaints, there is the other fact that it is almost impossible to secure men and women for certain lines of work.

One Jacksonville restaurant recently announced a closing hour much earlier than has been the proprietor's custom. The reason is said to be inability to secure help.

LASTING MEMORIALS

A child in passing a local cemetery, recently, made the natural query: "What are the stones for?" The answer was given: "To look at." There was no use going into detail and the answer satisfied the childish mind and was truthful. Stones are all very well in their place and these monuments to the dead are dignified and appropriate. But there is no denying that some other memorials are just as lasting and carry with them benefits to the living.

A subscription to Illinois College sufficient to found a scholarship or as a library fund will keep the life of a departed friend in fragrant memory. The interest from such funds will continue thru all the years, in aiding those without funds who are seeking education. There are more stones are overgrown with moss or tarnished by the touch of time, special funds given to help young men or women to gain a college education will live on with wholesome strength and freshness.

A POLITICAL BOSS.

Roger Sullivan was long known as the boss of the Democratic state politics. His name has been so often connected with gang rule that according to the popular idea of downstate people he was a politician "with horns." It was largely to disabuse people of that idea and show himself as a man of the hearty, hale fellow well met type that Mr. Sullivan made a very active campaign a few years ago when he sought to be elected to the U. S. Senate.

At any rate, now that the "boss" is no more, the city papers comment upon his life in most favorable vein.

PUTS MONEY INTO CIRCULATION.

The records give proof that Illinois college spends each year in Jacksonville approximately \$165,000. This means that the college is really one of the most important industries in the city. All business men may not be directly benefitted by this disbursement of funds, but certainly all receive indirect benefit. The dollars spent go into general circulation and make a very substantial contribution to the local business. Setting aside all the other benefits which may be enumerated, a college is a distinct and valuable business asset to any community.

THE VALUE OF A DOLLAR.

The following interesting answer to a question about "The Value of a Dollar": "What is the value of a dollar now in comparison to 1910? Are the laboring classes of people as well off today as they were in 1910, when you take into consideration the high cost of living?"

The dollar of 1910 is worth only about 12 cents today in its ability to buy such products as corn, wheat, hogs, cattle, pig iron, gasoline, and wholesale commodities generally. The dollar of 1910 is worth about 55 cents in its ability to buy the things for which most of us spend our money at retail. In the case of a few people especially, there are a number of things such as street car fare, electric lights, etc., which are very little higher now than they were in 1910. Wages of farm hands and

manual labor generally have just about kept pace with the increase in the cost of living. In the factories in New York State wages have more than kept pace with the increased cost of living. Of course, there are many occupations where the wages have lagged behind. Especially is this true of salaried positions, as teachers and ministers well appreciate. Those classes of people who do not have an income 80 per cent greater now than in 1914 have been positively damaged by the war.

Rippling Rhymes By Walt Mason

DEAFNESS.

My ears don't work the way they should; my hearing isn't extra good; and agents come most every morn to sell some patent audiotone, some strange contraption, painted blue, to make me hear as well as you. I shoo said to them to come back no more. To buy such traps I'd be a loon; my deafness is my greatest boon. The fellow with a weary tale with fungus on it, it's so stale, will pass me by before he'll tell his story when he has to yell. I miss so many tales of woe, so many chestnuts all men know, so much gossip mean and pink, so much of scandal-monger's junk, that I'd despise the meddling men who brought my hearing back again. And when I seek my couch at night, I'm like a child, I sleep so tight. The noise that keeps you all awake my gentle slumbers can not break. I do not hear the rounder yell; I do not hear the milkman's bell; the chugging motors scorching by can't make your uncle bat an eye. I'm satisfied the way I am; you see me merry as a clam, and if I heard as well as you, you'd find me grim and blue.

WOMAN'S CLUB CONCERT WAS ARTISTIC SUCCESS

Program Was One of Unusual Excellence and Heard by Large Audience—Miss Atkins, Miss Poppe and Mr. Barber Proved Artists of High Class.

An audience that filled every seat and overflowed into the aisles gathered in Northminster church Thursday evening to hear the annual spring concert of the Woman's Club.

The artists appearing this year were, Mae Graves Atkins, soprano; Vera Poppe, cellist, and Lyell Barber, pianist. They came highly recommended and fully sustained all that had been said of them. In fact while all of the previous offerings of the Woman's Club have been of high class it is not amiss to say that the program of Thursday night was perhaps the best that has ever been given.

Mae Graves Atkins in her various numbers revealed a voice of great power and wide range. She displayed a fine understanding of tone values and her work throughout the evening was such as to show her an artist in all that the term implies.

Perhaps the numbers that met with the greatest favor from the audience was "Soft-footed Snow," by Sigurd Lie. Her shading was exquisite in this song. In Puccini's "Aria from Tosca" Miss Atkins had her greatest opportunity for showing voice range as well as dramatic quality. She was compelled to respond to an encore to this number.

In her last group the two numbers by Frank LaForge met with great favor. Especially was this true of "Flowers' Requiem," which was sung in a splendid manner.

Miss Atkins in her first group substituted "Le Long Des Faules" by Fauré for Liszt's "Quand je dors." As an encore to the Aria she gave, "Come Unto These Yellow Sands" by LaForge and at the close of the last group she gave another LaForge number, "The Song of the Open."

What shall we say of Vera Poppe? This modest and retiring English girl proved wonderful in her playing. If there is any instrument that possesses a soul it is the 'Cello. Yet as we listened to Miss Poppe last night it seemed that it was her soul that came out of the instrument as she wielded the bow.

Miss Poppe's first offering was "Variations Symphoniques" by Beethoven. It served to show the wonderful mechanical ability of the artist. However, the audience, unquestionably made up for the most part of musicians, did not seem to appreciate the brilliant technique that was required in the number.

On her second appearance Miss Poppe played "Adagio by Tartini" and "Gavotte by Rameau." It was in these numbers that she began to show the possibilities of the 'Cello. She was called back for an encore and gave a "Gavotte" of her own composition.

In her closing group Miss Poppe captured her audience when she played "The Song of Pan," another of her compositions. This proved such a beautiful number filled not only with melody but also technical surprises that she was forced to repeat it.

At the close of the Spanish Serenade the audience was so insistent that Miss Poppe came back and played "Carry Me Back to Old Virginia." She put all of her personality in this number and the audience was held breathless as the beautiful strains floated out the auditorium.

Last but not least upon the program was Lyell Barber, pianist. Mr. Barber was sort of thrown in for good measure as it were. Yet he proved that he is worthy to be called one of the most talented of America's younger pianists and shared honors equally with Miss Atkins and Miss Poppe.

Mr. Barber's work in the accompaniments was superb. He seemed to catch the spirit of the soloists and his work had much to do with the great success of the program.

In addition to this Mr. Barber gave two numbers. "The Lark," by Glinka-Balakirev and "Humoreske by Rachmaninoff." His intelligent interpretation of these numbers was such that the audience demanded an encore. He gave "Fantasie Impromptu" by Chopin.

Before the program commenced Mrs. O. F. Buße, president of the Woman's Club, spoke briefly. She paid a high compliment to Mrs. Brown and the members of the music committee for the success of the concert as attested by the

large audience present. Mrs. Buße also referred to the fact that the Woman's Club it always ready to foster all forward movements in the community. She introduced Dr. C. H. Rammelkamp, president of Illinois College. Dr. Rammelkamp said that he had hoped by attending the concert to forget temporarily the College endowment campaign. However, he had been invited to speak and could not refuse. Dr. Rammelkamp then referred to the endowment campaign and said he hoped that all friends of the college would respond as generously as possible.

The concert this year was given under the direction of the music committee composed of Mrs. W. Barr Brown, Jr., Mrs. F. E. Farrell, Mrs. A. R. Gregory, Mrs. Andrew Russell and Mrs. Abram Wehl. This committee worked indefatigably in preparation for the event and its unqualified success was due to the efforts of its members.

At the church Mrs. Geraldine Sieber Sovera, chairman of the house committee, was in charge of the ushers who were: Mrs. Charles Ator, Mrs. M. C. Hook, Mrs. Warren Murray, Miss Jeanette Powell and Miss Lena Hopper. Those who took tickets at the doors were: Mrs. Clark Green, Mrs. M. E. Gilbert and Mrs. W. D. Roberts.

Matrimonial

Zulauf—Nash
Earl Zulauf and Miss Cornelia Nash, of Chapin, were married Thursday at the court house, by Rev. F. M. Crabtree. They are to live on a farm in Cass county and will begin married life with the good wishes of many friends.

Lovekamp—Roegge.
R. H. Lovekamp and Miss Minnie Roegge were united in marriage at the Lutheran church yesterday afternoon at four o'clock by Rev. J. G. Kuppler.

Mr. Lovekamp is the son of Mr. and Mrs. H. C. Lovekamp, prominent residents of Arenzville, and Mrs. Lovekamp is the daughter of Mr. and Mrs. William H. Roegge, formerly of Arenzville, but now living on West Lafayette avenue. The parents of the couple were the attendants at the wedding, a wedding supper was served at the home of the bride after the ceremony. Mr. and Mrs. Lovekamp will reside on a farm near Arenzville.

Funerals

Hardy
Funeral services for Henry Hardy were held from the Gillham Undertaking parlors at 2 o'clock Thursday afternoon, in charge of the Rev. A. A. Todd, pastor of First Baptist church. Burial was in Jacksonville cemetery, the bearers being Wilard Young, Bert Moses, William Hogan, Richard Mathews, Buker Daniels and Edward Large.

T. M. Booddy of Macomb made a business trip to the city yesterday.

What is a Chiropractic Adjustment?

Some folks who first thought that Chiropractic was everything except a wonderful, new health method, have gained peculiar impressions of what a Chiropractic Adjustment really is.

An adjustment is primarily given with only the Chiropractor's two hands. How he does it; why he does it; what part of the spine he does it to, are all part of his Science. The expert knowledge is acquired only after years of intense study and practice.

CHIROPRACTIC

THE BETTER WAY TO HEALTH

After analyzing the spine and finding out the defects that impede nerve energy and result in disease, the Chiropractor adjusts the movable bones in the spine back to their proper, normal positions. The cause is removed; the pressure on the nerves is relieved and normal function is resumed. With complete nerve energy restored, the natural forces of the body build up the weak and diseased organs. Health results.

is in full accord with the laws of man's being. No drugs or surgery are used. Chiropractic (KI-RO-PRAK-TIC) is being endorsed by authorities everywhere from the scientific standpoint, because it is right. Its marvelous record of accomplishment recommends it to all who are not up to the mark in health and efficiency. Give Chiropractic a trial.

Two Things on Which the
Greatest Artists Agree—

FIRST—That the Victor process of recording inscribes their artistry upon Victor Records so true to life as to actually duplicate their actual performances.

SECOND—That the Victrola is one instrument which unfolds these inspired portrayals with the same fidelity, paralleling their actual performances.

METHODISTS HELD
CONFERENCE HERE

Ministers Gathered at Centenary Church to Hear Inspirational Reports and Addresses.

A meeting of the pastors and lay representatives of the Methodist churches in the Jacksonville group of Jacksonville. District was held for the purpose of hearing reports and addresses in Centenary M. E. church yesterday. The following pastors were present: G. T. Wetzel, of Lynville; Walter Mitchell, Waverly Ct.; Harry Willard, Franklin Ct.; J. A. Betcher, Ashland; David Nelson, Barry; A. E. Pepping, Roodhouse; W. S. Phillips, Canfield; Harry Evans, Forest City; D. C. Byus, Oakford; J. C. Bell, Murrayville; C. W. Casely, Winchester; and the local pastors, T. H. Tull, B. V. Gowdy, J. O. Kirkpatrick, Raye Ragan and G. W. Randle.

In the absence of Rev. E. L. Pletcher, who was attending the funeral of Rev. N. M. Riggs at Shelbyville, Rev. J. O. Kirkpatrick presided. G. W. Randle and G. T. Wetzel led the devotions. Able addresses were delivered by the Rev. Victor Thrall, pastor of First Methodist church, Chicago, on "Evangelism," and by Mr. John Perry Areal, chairman of the Methodist Minute Men, on "The Task of the Church." Reports were read by the pastors present, summing up the work for the past half year.

The Evening Session

At the evening session, a male quartet, including Rev. Messrs. Betcher, Pepping and Thrall and Mr. Perry, sang a number of selections. Then Mr. Perry delivered a splendid address on "The First Church and the Master Teacher." He suggested that the first church said to the hungry multitude "Send them away to get food," and that the church of today is following the early example. Year before last, in India, a Methodist church closed its doors in the face of 150,000 inquirers. The Centenary movement is changing that condition.

The speaker said that Christ organized his disciples into the first unit system and sent them out to feed the multitudes. Dr. Victor Thrall spoke on "Building the Church of Tomorrow." He said that the principal news of this day is that the church is organizing for the conquest of the world for Christ, and the church of tomorrow will have far greater strength as it accomplishes the task it has outlined.

The service closed with a spiritual and helpful altar service, in which many pledged themselves to the work of personal evangelism.

RAIPL OFFICIALS
GIVE STRIKERS
FINAL CHANCE

(Continued from Page One.)

Just returning from overseas will be taken to home towns. Activities of the governor's anti-profiteering squadron resulted in the arrest of three men, general managers of wholesale firms dealing in Danish butter, which federal agents said was sold at 68 to 79 cents a pound at illegal profits of 10 cents a pound. Each of the accused was released in \$1,000 bail. One of the accused, it is alleged, bought 672,000 pounds of Danish butter and resold it here at a profit of over \$66,000.

The first express shipments to the West since the strike began were despatched today by the American Railway Express to Chicago and Buffalo.

The newspaper shortage here will be temporarily relieved tomorrow, it was said, with the arrival of 25 extra car loads from South Ottawa, Can.

MASON OUTPOINTS
ASHER AT SPRINGFIELD

SPRINGFIELD, Ill., April 15.—Frankie Mason of Fort Wayne, Ind., American flyweight champion, outpointed Johnnie (Babe) Asher of St. Louis in ten rounds here tonight.

Mason led thruout the ten rounds landing well timed blows on the St. Louis youngster. Asher stood the punishment and although bleeding profusely in the last few rounds showed considerable speed and often carried the fight to his opponent.

Mason landed his blows with precision and seldom missed with the jabs which he started to Asher's head.

WOODSON CHURCHES
UNITE IN SERVICES

Will Have Booster Week With "Sunny Jim" Scofield as the Leader.

Woodson's two churches have organized for a special week of mass meetings in a church efficiency program under the leadership of James L. Scofield or "Sunny Jim" as he is called. He is an expert along this line. Meetings to commence next Tuesday, April 20 and to close Sunday, April 25. The prospect is good for a splendid campaign to touch our home, church and school life. Three special committees from both churches have been appointed to start work right away. They are:

Advertising Committee—N. H. Crain, Russel McAllister, Rev. A. E. Powell, May Cade.

Social Committee—Emma Taylor, Zella and Myrtle Crain, Mrs. F. Henderson, Bert Fitzsimmons, Mrs. John Hoagland, Mrs. Powell, Mrs. Glasgow, Mrs. Baxter, Mrs. Steinmetz.

Music Committee—Dr. Jones, William and Chester Colton, Nettie Ezard, Clarabell Megginson, Susan Irlam, George Cunningham, Emma Self.

These meetings are not religious revival meetings in the usual sense of the term but rather an unusual revival for better church efficiency operating thru the regular church organizations and in close relation to the community as a whole. The committee says tomorrow we will say something of the campaigner himself. We want your help folks whoever or whatever you are to boost once more for God and His church at Woodson. Watch for announcement of "Sunny Jim" tomorrow.

AT THE GRAND

The audience was not large which gathered at the Grand opera house last night for the presentation of "The Thrift." However, the audience found the play one of absorbing interest and the cast of the Devereux Co. entirely competent. Miss Zinita Graf was the leading lady, and the cast included some other well known names.

The audience would have been much larger but for the failure of the advance advertising matter to reach the city. The company was at some disadvantage because the scenery and properties carried did not reach the city in time for the performance. Manager Sibert said last night that probably no further bookings will be made for one night performances this spring.

ROTARY CLUB LUNCHEON

The Rotary club will hold the regular luncheon Friday at the Y. M. C. A. building where tables will be reserved for members by the Illinois College campaign committee. The daily luncheons of the committees are proving very interesting events and the Rotary men will enjoy varying the usual weekly meeting plan. There is no solicitation at any of the campaign committee luncheons.

Mr. Andrews now boasts for Natski Blood Purifier—says he can mow his lawn now. Mighty interesting letter he wrote about it. Read it over:

"I have suffered with rheumatism for twenty-three years and during that time I doctored in Chicago, also in Mudlavia, and in both places I spent a great deal of time as well as money, and received no results.

"During the past four months I have been using Natski Blood Purifier and feel greatly benefited, in fact it is the only medicine or treatment of any kind that I can say has done me any good. I mowed my lawn this summer for the first time in years.

A Hair Tonic and More

Most so-called hair tonics depend only on irritation of the scalp to start hair growth. Hirsutone is an entirely different idea in that it is a true tonic for the scalp and hair, a cleanser for the scalp, a preventative of dandruff, fertilizer of the hair roots and a perfect hair dresser. It does everything but shampoo the hair. Shampoo the hair first, apply the hair tonic and in a short time you will be happily surprised at the results.

WESTERN UNION NOW HAS ALL NIGHT SERVICE

New Repeating Station Is in Full Operation—Office Open for Twenty-Four Hours a Day.

Manager Joseph L. Pine, of the local Western Union office, announced yesterday that the company's office in this city would hereafter remain open twenty-four hours a day. It will now be possible to send telegrams after 9 o'clock at night without having to go to the railroad stations. Owing to the fact that the night man is busy with his repeaters it will be impossible for him to answer telephone calls, but messages brought to the office will be transmitted.

The new repeating station has been put into full operation with Phil A. Heneghan, day chief operator in charge of the plant.

A. A. Lytle, of Chicago, is in charge of the plant at night. R. H. Lynn, of Peoria, Ill., will be in charge during the morning hours.

The Repeating System

The following repeaters were put into operation:

Ninth Overland, San Francisco-New York multiplex. This circuit running from coast to coast requires repeaters at Reno, Nev.; Winnemucca, Nev.; Kelton, Utah; Ogden, Utah; Rawlins, Wyo.; Denver, Colo.; Ellis, Kans.; Kansas City, Mo.; Jacksonville, Ill.; Chicago, Marion, Ohio, and Buffalo, N. Y.

The fifteenth, Chicago-Los Angeles multiplex, has the same routing west of Jacksonville as other wires.

Several other circuits will be put into operation within a few days. One of these wires will be the New York San-Francisco cable wire, which will be a Morse wire.

MORGAN-SCOTT BAPTIST ASSOCIATION

Was Held in First Baptist Church—Officers for Ensuing Year Elected.

The semi-annual meeting of the Baptist Women's Missionary society of the Morgan-Scott county association was held yesterday in the First Baptist church.

Mrs. Everett Burnett, of Waverly, who has been president of the organization for the past year, presided. The first meeting was at 10 o'clock. The time of the next meeting was set for May 3, 1921, at Ashland.

Officers for the ensuing year were elected as follows:

President—Mrs. Ernest Walbaum.

Vice President—Mrs. Everett Burnett.

Secretary—Mrs. T. O. Hardesty.

Director of W. W. G.—Miss Carrie Spire.

Director of Crusaders—Miss Mable Withee.

At the noon hour the ladies of the local church served cafeteria lunch to the visiting delegates.

The afternoon service was begun by a memorial service for the members who had passed away during the last year. Mrs. Blunt, Mrs. Murray and Mrs. Todd, Resolutions of sympathy were read.

The program of the afternoon was taken up largely with the subjects of "The Standard of Excellence" and the "Reading Circle Contest."

The meeting adjourned early in the afternoon, in order that the delegates might get trains home.

Men are never disappointed with the service they secure from Shirts recommended by FRANK BYRNS Hat Store.

Distributors of Liberty, Overland and Willys-Knight Cars, All-American Trucks and Moline Universal Tractors

There is a Difference in the Way the Liberty Rides and Drives

The difference of the Liberty's riding and driving it not to be wondered at when one learns the steadfast quality of the car, which becomes more and more apparent as the miles roll up.

To this unmistakable worth, and also to the high order of designing displayed even in the very minor details, may be attributed qualities so divergent as the unusual comfort which the Liberty affords, and the uniform reasonableness in the cost of operation and upkeep. The car is one of the moderate weight in proportion to its size, amply powered, with a responsiveness and flexibility that are remarkable.

It is replete with features that have literally commanded the enthusiasm of Liberty owners. The upholstery is of genuine leather in the French pleated type, fitted over unexcelled special cushion springs. Plainly-marked side curtains are carried in a very accessible compartment back of the front seat.

The steering wheel is of black walnut, properly crusted around the inner surface. There are special top holders, horsehair carpets in each compartment, a rear curtain light of beveled plate glass set in a heavily nickel-plated rim, and an equipment that is considered exceptionally complete.

Benefit Dance Given at Winchester

Winchester Women Gave Dance for Benefit of Passavant Hospital Fund—Other News from Winchester.

Winchester, April 15—A dance was given by a number of Winchester women Thursday night in the Legion hall, for the benefit of the Passavant hospital fund. The affair was a success both financially and socially. The hall was well filled and a good sum realized for the worthy cause. Refreshments were served during the evening.

Mrs. Russell McLaughlin and daughter, Rose, left Wednesday for Lebanon, Mo., where they will visit relatives.

Samuel Peak and wife have recently purchased one of the William Wainwright properties in the northeast part of town.

Word was received Thursday of the arrival of a son at the home of Mr. and Mrs. Francis Southwell at North Henderson, Ill.

Mrs. R. H. Coulter, who has been seriously ill for a number of days past, is showing some improvement daily. This will be welcome news to her many friends.

Miss Iva McLaughlin left Thursday afternoon for Roodhouse, to visit relatives a few days.

Mrs. Fred Burch arrived home Thursday afternoon from Mattoon, where she and her husband have spent the winter. Mr. Burch will remain there for some time further.

MODERN WOODMEN ATTENTION

Unity Grove Camp 132 will hold a special meeting tonight at the hall. Business to come before the Camp, advisability of bringing picture slides here to show views of the Modern Woodman Sanitarium in Colorado. All members are urged to be present.

WOULD SELL LANDS IN MYERS ESTATE

Authority Sought in Bill Filed in the Circuit Court.

An ex parte petition in the estate of John Myers, deceased, was filed in the office of Circuit Clerk Boston Thursday for hearing at the May term. George W. Oxley is the executor of the estate.

The bill, which is brought by the executor and heirs of John Myers, sets forth the facts pertaining to the will which was filed in the office of the county clerk shortly after the death of Mr. Myers, which occurred March 4, 1920.

It is shown that the executor is selling the personal property belonging to the estate and that the returns therefrom will be sufficient to pay all indebtedness. And further it is shown that in his will Mr. Myers directed that the real estate be sold and the proceeds divided among the living children. However, he failed to indicate by whom the property should be sold, and the purpose of the present suit is that the court may invest the executor, George Oxley, with authority to sell and convey the real estate.

The complainants who join with the executor in bringing the petition are Sarah A. Myers, Fred T. Myers, Mary C. Myers, Ward, George W. Myers and John R. Myers, all of whom are represented by J. O. Priest as solicitor.

Jacksonville Chapter No. 3 R. A. M., will hold a special convocation this evening at 7:30 o'clock. Work. Visiting companions welcome.

ILLINOIS COLLEGE WINS BOTH DEBATES

Defeats Augustana Here and Monmouth in That City—Decision in Each Case Was Two to One in Favor of Illinois—Will Debate Carthage, April 22.

Illinois college won the Augustana, Monmouth, Illinois triangle debate last evening when the Illinois college affirmative team won a two to one decision in Jacksonville over the Augustana negative team, and the Illinois college negative team won from the affirmative team at Monmouth by a two to one decision.

The subject for the debate was "Resolved that labor disputes within Public Utilities should be settled by compulsory arbitration", constitutionally waived and coal mines considered public utilities.

The Illinois college affirmative team was composed of Franklin Scott, William Scott, and Bernard Frazier. They met the Augustana negative team composed of Roy Johnson, Elmer Knox and Edwin Manson in the Jones building in Jacksonville. The judges for this debate were: A. C. Cole and E. S. Miller, of the University of Illinois, and J. R. Colbert, principal of the high school at Waverly.

The Illinois college negative team which debated in Monmouth was composed of John Martin, Ivan Rossiter, and Arnold Hegstrom, with Jasper Underwood as alternate. The Monmouth team was Leonard Melvery, John Curry, and George McClure. The judges in Monmouth were: W. Simmonds, of Knox college, S. E. Evans, of Illinois Wesleyan, and W. O. Ellis, of the Galesburg high school.

Another triangle debate had been arranged with Carthage and Shurtleff colleges but Shurtleff dropped out and Carthage and Illinois will debate a week from today. The Illinois college affirmative team will meet the Carthage negative team in Jacksonville, and the Illinois college negative team will go to Carthage.

Besides this the freshmen of Illinois and Knox will debate on April 27.

WILL CONFER DEGREES ON CLASS AT QUINCY

Delaware Tribe Degree Team Will Exemplify Red Men Degrees on Class of Over One Hundred—Event Will Take Place Next Monday Night.

O. L. Whitmer, chief of records of the Great Council of Illinois Improved Order of Red Men, has arranged for the degree team of Delaware Tribe to confer the degrees of the order on a class at Quincy Monday night, April 19.

The tribe at Quincy has been conducting a membership campaign and over one hundred pale faces will be initiated into the order on that occasion.

Delaware's degree team will leave here over the Wabash Monday afternoon and return home Tuesday morning. It will be the second trip the local degree team has made to Quincy to confer the work, the last trip having been taken in 1910.

It is expected that all of the great chiefs will be present at the initiation. A banquet will follow the degree work.

NO DAMAGE TO FRUIT

W. T. Flint, chief field entomologist for the state of Illinois stated at the meeting of county agents in Springfield the first part of the week that the apple and peach crop in the southern part of the state was damaged about 20 per cent, as that in this region, the damage was negligible. He also remarked that the cinch bugs had come thru the winter in good shape and would probably give trouble.

SCHOOL BOARD ELECTION FACTS

Four Ward Polling Places Announced—Three Names Only on the Ballot—Two Women Seek Election—J. P. Lippincott Willing to Serve Again as President.

Mention should again be made of the polling places for the board of education which is to be held Saturday. They are:
First District—Jefferson school building.
Second District—David Prince building.
Third District—Election building in the rear of the county jail.
Fourth District—Election building corner Fayette and Grove streets.
As already indicated, the only names to appear upon the ballot will be Thomas V. Hopper, H. L. Caldwell and Charles Fiedler. Persons who wish to vote for these men will do so by placing a cross in the square at the left of each name.

Mary E. Pierson, present member of the board whose name will not appear upon the ballot, has announced that she is a candidate for re-election and is asking women and other friends to write her name upon the ballot and to place a cross in the square at the left. Charlotte Gray has also announced her candidacy for board membership and asks supporters to write her name on the ballot and to mark a cross in the square at the left of her name.

Julian P. Lippincott, who is now serving as president of the board, did not file a petition as a candidate for president and his name will therefore not appear on the ballot. Persons who wish to vote for Mr. Lippincott must write his name on the ballot and mark a cross in the square at the left.
Mr. Lippincott said recently that he had not intended to be a candidate for re-election but that a number of friends had suggested to him that it would be a proper course for him to continue board membership while the high school building is in the course of construction, the present board having let the contract, and that he had therefore expressed his willingness to be a candidate. Mr. Lippincott as presiding officer of the board has not sought to dominate board affairs but has always been willing to meet responsibility.

DEATH COMES TO VIRGINIA MINISTER

Rev. N. M. Rigg Passed Away After Brief Illness—Christian Church Women Give Annual Dinner—Other News Items.

Virginia, April 13.—A feeling of gloom was felt all over this city yesterday when the news of the death of Rev. N. M. Rigg, pastor of the M. E. church, became known. Rev. Rigg had been ailing since Friday night, but was able to deliver an eloquent Easter sermon Sunday morning.

Though not feeling well no one except the family and physician knew the fact. After service he returned home and remained in bed until evening, when he returned to the church where an Easter program was being given.

There he led in much of the song service. When leaving the church Rev. Mr. Rigg asked his physician, Dr. Lyle, to accompany him home. He rapidly became very ill and the doctor remained with him during the night.

Monday morning Mr. Rigg seemed to be improved and asked for more air in the room, and he went to sleep. In a few moments he fell asleep and did not again awaken.

Death was due to pneumonia poisoning, from which the deceased had been suffering since Friday night.

During his short period of residence in Virginia the deceased minister had made hosts of friends in and about the city, all of whom regret to know of his sudden death.

It is a strange coincidence that Rev. Mr. Rigg and two intimate friends who had been in the custom of observing their birthdays on the same date have all passed away since January 1, 1920.

Surviving are the wife and one daughter, Mrs. Kenneth Pond, of Decatur. Funeral services will be in charge of Rev. Parker Shields and interment will be in Shelbyville cemetery, the date to be announced later.

The death of Peter Hudson occurred at the home of his daughter, Mrs. Mamie Bateman, in this city early Monday morning. Deceased had been a sufferer for many weeks from dropsy, which was the cause of his demise. Mr. Hudson is survived by his wife and one daughter, Mrs. Mamie Bateman.

The funeral arrangements have not been completed, but burial will be made in Walnut Ridge cemetery.

Mrs. R. B. Long returned to St. John's hospital today, after spending the week-end at her home in this city.

The ladies of the Church of Christ gave their annual Easter dinner and supper Saturday, April 10, in the church dining rooms. The sum of \$200 was realized.

Mrs. Charles Milstead, infant and Miss Effie Milstead, of Charleston, were week-end guests of the former's parents, Mr. and Mrs. J. C. Daniels.

Mrs. John Tenter and guest, Miss Effie Milstead, were Springfield visitors Monday.

Edward Munson of New Berlin, spent Sunday with his family, who are spending a few weeks at the home of Misses Lottie and Josephine Sallee, in this city.

Alfred Shaffer and daughter, Miss Nellie, were Friday Jacksonville visitors.

D. D. Wilson is slowly improving from a serious illness.

W. H. Way is contemplating remodeling the residence which he recently purchased, on South Main street.

Dr. and Mrs. D. A. Younell are the parents of a daughter, born April 8. This is the third child.

ASBURY

R. Y. Gibson received word of the death of his uncle Albert Davidson of McAllister, Okla., which place he had been a resident for many years. He died April 9 at the age of 70 years, being the youngest son of a family of eighteen children. One sister of this large family survives him. Mrs. Talitha McCurley of Modesto.

Mr. Davidson was a druggist, retiring from business in late years on account of failing health. He was a highly respected citizen and will be greatly missed in his locality. He made an extended visit with relatives here in the summer of 1915 and made many new friends and renewed old acquaintances while here.

Miss Grace Gibson who entered the Passavant hospital some fourteen months ago to take a course in nurses training has given up her work and gone to the home of her parents, Mr. and Mrs. R. Y. Gibson, four miles southeast of the city.

CONGREGATIONAL MEN WILL MEET TONIGHT

The Men's Brotherhood of the Congregational church will meet at the church tonight, for the regular monthly session. Supper will be served at 6:15 o'clock and later address will be made by Maurice T. VanHecke, of the legislative reference bureau of Springfield. The subject will be "The Efficient Layman," and undoubtedly the speaker will have much to say of value to the church member.

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading Druggist of Covington, Ky., Who Has Made Special Study of Catarrh.

Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well.

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcine mixed with enough boiled water to make a pint, half of the catarrh in this country would be abolished. It's really no joke for people

CHAPIN WOMAN'S CLUB MET TUESDAY

Interesting Session Held at Steinfelt Home—Miss Kennedy Gives Expression Recital—Other Chapin Items.

Chapin, April 15.—The Chapin Woman's club met at the home of Mrs. Steinfelt on Tuesday afternoon with eleven members and three guests present. The meeting was opened by roll call which was responded to by naming a favorite Bible character and telling why the choice. The minutes were then read and approved. During the business session which followed the membership was divided into two sections and Section No. 1 will hold a market sale on Saturday, April 24.

Mrs. Nienhuesser then read an interesting paper on "Twentieth Century Americans."

Mrs. Grover Smith's paper on "The Man Shakespeare" was read by Mrs. Fred Craven as Mrs. Smith was not present. It was an interesting paper.

A social hour followed at which time the hostess served refreshments. The next meeting will be the open meeting held with Mrs. Burnham.

Expression Recital.

The expression recital given by Miss Mamie Kennedy was well attended, the church being filled, and was greatly enjoyed by all. The Chapin people very much appreciate Miss Kennedy's kindness in giving them this treat.

INDEES GETTING READY FOR PRACTICE
 Manager Smith announced yesterday that the men who are to try out for jobs on the Indians ball club this year will start to practice Sunday.

Weather conditions permitting, the new diamond will be ready for the team next Sunday. The practice will be there on that day, during the week the men will work on the State Hospital diamond in the evening.

Subscriptions are now due and Mr. Smith hopes to have all the funds collected by the last of the week. The opening game will be played April 25.

A letter from Fred Briggs who is trying out with Terre Haute, Ind., says he has two veterans to beat out for the job. In case he doesn't make good he will return and play with the Indians. Briggs writes that Lefty Lancaster is with Terre Haute and showing fine form. He believes he will be one of Brown's regulars this year. Paul Neighbors of Virgin is also trying out with Terre Haute.

VISITOR FROM NEBRASKA
 S. J. Henderson, of Republican City, Neb., and a former resident of Morgan county, is making a visit with friends and relatives in the city and in Litterberry. He expresses himself well pleased with his Nebraska home and gives a hopeful account of affairs in his vicinity. He admits they have plenty of wind at times but that isn't a serious drawback.

"JUST ONE" AND IT'S ALWAYS DONE
 "Just One" is the Name of the Only Laxative of Which Just One is Always the Right Dose.

Just one tablet of "Just One" is always a "just right" dose. The only laxative that never wears out, that gives the same results year in and year out, that your system does not become callous to and that never needs to have its dosage increased.

All other laxatives work well only until your system gets used to them. Then you must either get a different kind or increase the dose. With "Just One" you get an entirely different laxative at each dose, because each of the 20 similar looking tablets in each box is made of different laxative ingredients. Each is a tried and proved successful formula, each is thorough, dependable and pleasant in action and each is different from the other 19. That's why they never wear out.

Quit pounding on one particular organ all the time. Use a laxative that works on different organs each dose. Stir up your liver one time, your pancreas another, your lower bowel another, and so on, always changing. You'll get much better results and without harming your system as other single-formula laxatives harm it. Try this new, scientific way and you'll see why it is so much better.

Don't let the day pass without getting your box of "Just One." Any druggist, anywhere can get "Just One" for you, or we will send it postpaid upon receipt of 25c per package. Ferritone Chemical Company, Council Bluffs, Iowa.—Adv.

Mr. and Mrs. J. A. Walters of Jacksonville were Sunday visitors here.

INCREASING PRODUCTION MAKES NECESSARY NASH FACTORY EXPANSION

Increasing demand for products of The Nash Motors Company is reflected in substantial additions to the great plant at Kenosha during the past year. It is in this factory that Nash six cylinder cars and Nash trucks are built, the new plant in Milwaukee, now under construction being planned for the exclusive production of the Nash Four.

An important addition to the factory is found in a building 120x120 which was added to the large foundry. There also has been constructed a foundry warehouse and pattern storage 80 by 100 feet. Other new buildings include a new roller bearing tool room and pattern shop, 100 by 600 feet and an addition to the sheet metal shop measuring 32x236 feet.

Under construction now are a new boiler room 50x50 feet and an addition to the heat-treating department measuring 40x140 feet. The construction of all these buildings is thoroughly modern and was carried out without interruption to work in the busy Nash shops.

There are in operation in the Nash factory over 1,500 productive machines and over 300 factory maintenance machines; the plant embraces 1,011,332 square feet of floor space and in the power plant which keeps the machinery in operation, 120 tons of coal are used every 24 hours.

Five thousand men are on the payroll of The Nash Motors Company.

What men who do big work say about overalls—

"I've tried a lot of overalls, but all I've worn, give me Blue Buckles every time. They always fit and wear."

"There's heavy work at the shipyards. That's why I stick to Blue Buckles. They're sure to give long wear and comfort."

Edward Gibson
 Cassin Shipyard
 U. S. Shipyard

FRED McCULLOCH is one of the biggest corn growers in his state—Edward Gibson is the champion riveter of the U. S. Shipyards—James Heberer runs the Twentieth Century Limited—these men know their jobs from top to bottom.

And they know what to wear on the job. They know how much good, strong, comfortable overalls mean when you do big work.

That's why all three wear Blue Buckles. That's why more men wear Blue Buckles than any other overall in the world.

Tough, longest-wearing denim, sewed with wide, double-stitched seams, goes into every pair. Blue Buckles are big and roomy. They never rip or bind. First-class workmanship makes every detail about Blue Buckles right. They have heavy riveted brass buttons, best quality buckles and loops, a solid back-band, big, convenient, reinforced pockets, and extra wide suspenders. All Blue Buckle coats have free swing, raglan sleeves.

Ask your dealer for Blue Buckles.

To Dealers:—If you want to know where to get Blue Buckles, write to Blue Buckle Overalls, Lynchburg, Va., and we will give you the name of your nearest jobber.

Practical Power Farming

No more is there any argument about Power Farming. It is here to stay but it has been left for the TO-RO to lead the way to motorize the farm.

Why talk about Power Farming if you can only do 50% of your work with Power and have to keep horses to do the balance.

The To-Ro Convertible Power Cultivator fills this gap—making it possible with this wonderful Two in One machine to do all your work. It cultivates corn, potatoes; seeds; harrows; pulls a binder, hay loader, and any other implement; plants your corn, etc.

Then easily converted into a small tractor at low cost—it will do your plowing, hauling, discing, harrowing, mowing, feed grinding, corn shelling and pumping.

Just the small tractor you have been looking for to work your orchards and vineyards.

Its narrow width, light weight and power at the draw-bar makes it ideal for these purposes.

If you own a plow tractor you need a To-Ro Power Cultivator. It will not only do your cultivating at a big saving of labor and time, but will do many jobs on the farm more economically and better than you can do them with your heavy tractor.

If you do not own a tractor then you need a To-Ro with the convertible feature.

We are not offering you a combination or a make-shift; neither are we offering

—The To-Ro Cultivator has been successful in the field.
—First—Because it will do the work it is intended to do.

—Second—By reason of the pivoting drive wheels—enabling the operator to get quick action on the gangs and to guide his machine with ease, in fact, to cultivate better and faster than with horses.

—Third—Because all levers are within easy reach of the operator—simple and effective.

—These are but a few of the many exclusive features of the To-Ro Power Cultivator, as we can tell you but little of this splendid "Two in One" machine in this space. Call in and see us. We will show you.

GRIP, INFLUENZA

Hamilin's Wizard Oil a Reliable, Antiseptic Preservative

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and sniff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "Flu" germs. Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza. Get it from druggists for 30c. If not satisfied, return the bottle and get your money back. Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pills, 30c at druggists. Guaranteed.—Adv.

VALUABLE FIND

"After spending \$900 for medicine and doctors in four years without getting any benefit for stomach trouble and bloating I was induced by my druggist to try Mayr's Wonderful Remedy and must say that a \$1 bottle has done me \$500 worth of good." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all druggists.—Adv.

FOR BURNING ECZEMA

Apply Zemo the Clean, Antiseptic Liquid—Easy to Use—Does Not Stain

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c, or \$1.00 for large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, antiseptic liquid. Try it, as we believe nothing has ever been used so effectively and satisfyingly.

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Gently massage Musterole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears. Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

BLUFFS HOUSEHOLD SCIENCE CLUB MEETS

Tuesday Afternoon Session Held With Mrs. Henry Oakes as Hostess—Primary Election Was Quiet Affair—Other Bluffs News.

Bluffs, April 14.—The Household Science club met with Mrs. Henry Oakes as hostess Tuesday afternoon. Twenty-four members were present. After the usual business session Mrs. J. E. Likes read a splendid paper on the origin of "April Fool's Day." Mrs. Anna Arundel read a very interesting paper on "Why Are Eggs and Rabbits Connected With Easter?" Mrs. Janie Woodson and Mrs. L. S. Black gave a piano duet after which an appropriate Easter luncheon was served by the following ladies, Mesdames Etta Oakes, Janie Woodson, Lois Knoepfel and Fannie Lewis. After the social hour, the club adjourned at 5 o'clock to meet with Mrs. Rosa Finningmeier as hostess Tuesday, May 11th.

Crony Mills and family expect to leave in a few weeks for their new home in North Dakota. C. J. Atwood and family spent Saturday until Tuesday with his brother, Charles Atwood and family of Griggsville.

The primary election Tuesday was a very quiet affair with little interest shown. Only eighteen women's votes were polled and their choice seemed to be for Gov. Lowden.

Mrs. John Allen and daughter expect to leave soon for their new home in Jacksonville which they recently purchased.

Herman Dunham who is taking treatment at the Wabash hospital in Decatur was called home by the illness of his wife who is suffering from an attack of the flu.

Mrs. Henry Oakes was a caller in Winchester Wednesday.

Mrs. Margaret Palmer, Mrs. Floyd Hieman and baby and Miss Helen Rockwood were pleasantly entertained at the home of Mr. and Mrs. George Hieman Wednesday, the occasion being in honor of Mrs. Palmer's birthday. Rev. E. D. Palmer is assisting with the revival meeting in Baylis this week.

The Ladies' Aid of the M. E. church will be entertained Thursday at the home of Mrs. William Vannier in honor of the birthdays of Mrs. P. C. Burrus, Mrs. Margaret Palmer and Mrs. Eugene Carpenter.

Debate—Ill. College vs. Augustana, Jones Bldg. on Thursday, April 15, 8 p. m. Admission 25c.

NORTHMINSTER CHURCH NOTES

Yesterday afternoon the Ladies' Home and Foreign Missionary society met in the church parlors and were entertained by the March birthday members. A pleasant and profitable time was enjoyed by all.

The regular program was carried out, after which a delightful social hour followed, with nice refreshments, such as are usual in that church.

The hostesses were Mrs. Henry Day, Mrs. Mabel Day, Mrs. J. M. DePrates, Mrs. Grace Coraj and Mrs. J. W. Baptist.

Next week, after Wednesday evening prayer meeting, the April birthday ladies will have a birthday social. The hostesses will be "Grandma" Frank, Mrs. John Day, Mrs. Effie Souza, Miss Mamie Correa, Mrs. Nellie DeSilva, Mrs. Lizzie F. Day, Mrs. E. M. Henderson, Mrs. Minnie Will and Mrs. Norah Angel.

Sunday evening Dr. Spooner will give a stereopticon lecture, "Around the World," illustrating the present great world movement and it will be especially interesting as the slides are well chosen and of good variety. The lecture will be all right, of course. Tuesday evening next the Twentieth cradle roll entertainment will be held at the church.

Tuesday evening next the sessions of the spring meeting of the Springfield association will begin. Rev. E. B. Landis is moderator and will deliver the opening sermon. The Presbyterian churches of this city will be represented.

M. T. Layman has returned to Jacksonville to reside permanently and has his law office at 302 Ayers National Bank.

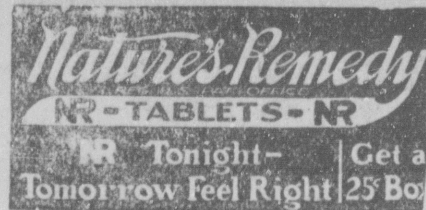

SUCCESSFUL CLOVER CROP. F. I. Taylor, of New Berlin, was in the city yesterday and remarking about clover said he had sown some broadcast on his wheat field in February, and it promised to be a good crop, unless killed by the recent frost. He said in Brown county the farmers sow their clover seed on the wheat in the dark of the moon in February, and nine times in ten get a stand. Mr. Taylor said he didn't harrow the ground or do anything else to it nor do the Brown county men.

Acid Stomach Makes 1 Out of 10 People Suffer

Doctors declare that more than 70 non-organic diseases can be traced to Acid Stomach. Starting with indigestion, heartburn, belching, food-repeating, bloating, sour, gassy stomach, the entire system eventually becomes affected, every vital organ suffering in some degree or other. You see these victims of Acid Stomach everywhere—people who are subject to nervousness, headache, insomnia, biliousness—people who suffer from rheumatism, lumbago, sciatica and aches and pains all over the body. It is safe to say that about 9 people out of 10 suffer to some extent from Acid Stomach.

If you suffer from stomach trouble or, even if you do not feel any stomach distress, yet are weak and ailing, feel tired and dragged out, "back pain" and enthusiasm and know that something is wrong although you cannot locate the exact cause of your trouble, you naturally want to get back your grip on life as quickly as possible. Then take EATONIC, the wonderful modern remedy and you will get quick relief from pains of indigestion, belching, gassy bloating, etc. Keep your stomach strong, clean and sweet. See how your general health improves—how quickly you find time, vigor and vitality come back! Get a big 50c box of EATONIC from your druggist today. It is guaranteed to please you. MOON

MODERN MOTOR CARS

With the world to choose from, we are selling Moon cars. We are selling them because we sincerely believe that Moon gives you the best light weight six cylinder motor car produced in this country today; the best that motor building science has been able to produce.

This knowledge is based on what the users of Moon cars themselves have found.

Moon owners—men who have paid their money for Moon cars and bought their knowledge on the roads.

In this car are the best units which enter into motor car construction—Feddors radiator, Timken axles and Bearings, Parish & Bingham Frame, Red Seal Continental Motor, Delco Three-Unit Starting, Lighting and Ignition, Borg & Beck Clutch, Brown-Slips Transmission, Spicer Universals.

These units have been engineered into a chassis upon which has been mounted the most beautiful custom-type bodies ever used in standard production.

Reliability performance, economy, freedom from trouble, low cost of upkeep and maintenance and good looks, all mark this as the most satisfactory car that money can buy.

What more could anyone want in an automobile? Built by Moon Motor Car Co., St. Louis, U. S. A.

Complete Repair Shop

Besides doing general auto repair work, we are equipped to handle satisfactorily tire vulcanizing and do all battery work.

Daily Market Report

STOCK MARKET

CLOSES IRREGULAR

(By The Associated Press)
NEW YORK, April 15.—Trading in stocks was active with a strong tone at the outset of today's session, in disregard of the higher discount rate announced by the Bank of England, but the market became irregular later when money and the labor situation overshadowed all other considerations. Call loans opened at the unusually high rate of eight per cent jumped to 12 during the uncertain intermediate period, advancing to 15 in the last hour, but eased to 12 in the final dealings.

Among the strongest and most conspicuous issues were Vanadium and Republic Steels, in which dealings far exceeded many of the usual favorites at net gains of 6% and 7 points, respectively. Consolidated Textile at an advance of 3 1/4 and several of the motor specialties.

Oils were under pressure although only moderate reactions with shipments and rails, but sugars, with a few exceptions, yielded much of their recent gains. Sales amounted to 1,200,000 shares.

Yet another disconcerting feature was the further precipitate decline of Liberty Bonds and Victory notes, virtually all of which established lowest quotations in their history on enlarged offerings.

The general bond market reacted fractionally to a point in international holding steady. Total sales par value \$17,650,000.

BREAD SHORTAGE TALK AFFECTS CORN MARKET

(By The Associated Press)

CHICAGO, April 15.—Talk of acute shortage of bread grain had a decided bullish effect today on corn. There was a persistent climb in prices with a nervous finish at 1 1/2 to 3 1/2c advance May \$1.69 to \$1.69 1/2 and July \$1.63 to \$1.63 1/2. Oats finished 1/4c to 1/2c and provisions 4c to 1/2c.

Exporters were bidding highest prices of the season for wheat and rye to ship to Europe, and it was said aside from bread-stuff supplies obtainable in North America the only other bread resource of which Europe could be certain until new crops were harvested was 100,000,000 bushels of wheat from Argentina and minor quantities from Australia and India. Gossip was also current that prospective reduction of the wheat crop in the United States appeared to be causing anxiety abroad. Meanwhile demoralized traffic conditions resulting from the railroad strike made more and more apparent the inadequacy of the stocks of corn at terminal markets. Unusual absence of selling pressure on corn resulted and at no time there was any important setback in values.

Oats ascended with corn and touched new high record prices for the crop.

Provisions were lifted by grain strength and but guesses that the semi-monthly warehouse report would exhibit more burdensome new increase of stocks
